**CELEBRATE NATIONAL VISITING NURSE
ASSOCIATIONS (VNA) WEEK, MAY 10-16, 2010**

AURORA, IL – MAY 10, 2010 The Visiting Nurse Association of Fox Valley joins hundreds of organizations across the country in celebrating National VNA Week, May 10-16, 2010, by recognizing the importance of visiting nurse agencies and home healthcare providers who deliver high-quality, affordable care to elderly and disabled patients in the home and community setting.

The second week of May has been set aside as a special time for expressing our appreciation to thousands of home healthcare clinicians and homecare providers who tirelessly care for millions of patients throughout the nation. Join VNA of Fox Valley and Visiting Nurse Agencies across the country in saying *thank you* to the visiting nurses and home health providers who have cared for you or a loved one.

“For over 90 years, VNA of Fox Valley has set the gold standard for home healthcare in the Aurora and Elgin areas. VNA Week offers an opportunity to honor and celebrate the difference VNA nurses and other care professionals make in the lives of hundreds of patients and their families,” states Linnea Windel, President/CEO of VNA of Fox Valley.
